

# FOOD RESCUE PROGRAM

DON'T THROW AWAY YOUR CHANCE TO HELP

## **Emerging Streams: Rescuing Prepared Foods**

Join us for this webinar on August 16<sup>th</sup> at 11am to learn about the exciting, new, metro area donation opportunities in the world of prepared foods. The Food Rescue team kicked off this program during Super Bowl 52 in Minneapolis, and since then the donor pool has steadily increased to include caterers, restaurants, special event centers and corporate and campus cafeterias.

Learn how we are using **Meal Connect** ([www.mealconnect.org](http://www.mealconnect.org)) to match donors with agency partners, provide easy tracking for donations, and how your organization can participate to safely collect and use these valuable donations in your meal or snack program.
