

VIRTUAL FUND DRIVE

Fight Hunger. Feed Hope.

Host a virtual fund drive and help ensure that children, families and seniors experiencing hunger in our region get the food they need to thrive.

At Second Harvest Heartland, we work to end hunger together. That's where you come in! Participating in a virtual fund drive is an easy and fun way for the community to get involved and help people facing hunger.

The economy has left families out of work and facing hunger. We can keep it at bay—**but we need your help.** Starting a drive can help fund free emergency grocery pop-ups, food boxes, and more. Just \$1 can provide 3 meals, and \$10 can help provide dinners for a week for a family of four.

HOW TO GET STARTED

VIRTUAL FUND DRIVES MAKE THE BIGGEST IMPACT.

Your donations will help us acquire high-need, nutritious foods like fresh produce, meats and dairy. For every \$1 we receive, we can provide 3 complete meals!

Visit 2harvest.org/drive to register as an individual or organization.

Then we'll send you easy-to-follow instructions for starting and managing your drive and tools to share your message to get others involved!

“ This is the fourth week without a paycheck. After paying for rent and electricity, it was then that I can think about groceries...it's crazy to say that groceries come last. I'm a single mom and I've heard that some people are embarrassed to come get food from a food bank, but I'm not because this is for my kids. ”
