SPPS Kid Space (Including Meals) for Students in Grades K-5
Beginning Thursday, March 12th, the district will open seven SPPS Kid Space sites, for students in grades K-5 only. All sites will be open from 8:30 a.m. to 3 p.m. Register for SPPS Kid Space in advance.

Details about Kid Space sites and bus stops will be available at spps.org/kidspace beginning at 7:30 a.m. on the first day of a strike, registration will begin at 8:30 a.m. the same day.

SPPS Kid Space will offer breakfast and lunch each day. In addition, these sites will be safe, warm locations for students to spend time, with enjoyable activities and adult supervision. SPPS Kid Space sites are open to K-5 students in our district. Kid Space will be staffed by a limited number of staff who will continue working if a strike occurs. We will be able to serve approximately 4,000 kids. There will be no nurse or health care staff at the sites. If your child has special health, medical or other needs, the district may not be able to provide the support that would keep them safe in this program. Based on the pre-registration information, district staff will contact you if we have concerns or questions about supporting your child. Please direct questions to the Student Placement Office at 651-632-3700.

Rec Check - free after-school program for youth in grades 1-5
Rec Check is a free after-school program for youth in grades 1–5 provided at the recreation centers listed below. Rec Check is open for youth who live or attend school in Saint Paul. Children participate in a variety of structured, supervised activities that are recreation focused. These may include arts-n-crafts, community building games, homework/quiet time, and more. To promote health and fitness, staff will engage the youth daily in physical activity. A daily snack is also provided. All sites have limited enrollment. Registration is taken on a first-come, first-served basis. You may begin the registration process online, but additional registration forms must be completed onsite before a child may attend. To register, visit the St. Paul Parks and Recreation department registration website or call 651-266-8989.

YMCA Teen Thrive Programs - Youth in Government, Leaders Club, and Achievers
YMCA Teen Thrive Programs are accessible to all teens, and can really make a difference — gain confidence, build life skills, give back to the community, make friends and more. For more information on these programs, contact Longkee Vang at Longkee.Vang@ymcamn.org

Neighborhood House Family Centers
Neighborhood House’s Family Centers help stabilize families in crisis by meeting basic needs. Services are tailored to address family history, income and housing status on a case-by-case basis. Each Family Center location is a one-stop-shop for services and referrals. Participants and staff work together to identify needs, discuss potential solutions, and create a plan for the future. If you need help, please contact the intake line at 651-793-7340.
